### Old Business:

Signs were placed at the Skill Machines to inform members that they could not keep another seat at the bar or table while playing the Skill machines. This seems to be working without problems.

The new desk in Nikki's office is on hold for now, it is still in the planning stages.

It was reported that the updated dress code will be at the bar tender's discretion.

The changes to the By-Laws have been posted for the last 30 days and has not had any negative comments. This will be voted on at the General Membership Meeting.

The penalty for ending the prior Electric Contract by the prior Manager James was discussed. Bill Leaman has been working on this issue and the prior company has agreed on a \$8,000 payment instead of over \$15,000. Motion by Richard Crumlich and second by John Gutshall to pay the \$8,000. Motion passed.

#### **New Business:**

Motion by Adrienne O'Brien and second by John Gutshall for the Home Association to keep 100% of the Skill Machine revenue along with the five months of arrears payments until the Home Association is able to get all of the arrear's payments to the Legion. This will be re-looked at once all payments have been made. Motion passed.

It was brought to Nikki's attention by the LCE that we can not cap the Daily Book at \$2500 and start another book. The same is true for the Weekly Book. This is illegal per the LCE Laws because we have more than one book going and the law only allows for one book. After discussion it was decided to cap the Daily Book at \$3500 and the weekly at \$5000. On the evening that the book reaches \$3500 or \$5000 there will be a drawing held until there is a winner. Motion made for the above by Kathy Killinger and seconded by John Gutshall. Motion carried.

Election for the new officers will be held tonight during the General Membership Meeting.

#### **Adjournment:**

Motion by Micheal Volz and seconded by Kathy Killinger. Motion carried.
